

MEMORANDUM 2024-7

Notice of Administrative Subpoena

At its October 2023 meeting, the Commission¹ decided to begin a short second-look study of issues raised during the legislative process for Assembly Bill 522 (Kalra).² This memorandum provides a brief status update for that work.

AB 522 would implement the Commission's recommendation on *State and Local Agency Access to Electronic Communications: Notice of Administrative Subpoena* (Mar. 2022). It was approved by the Senate Committees on Judiciary and Public Safety. It was made into a two-year bill and is on suspense in the Senate Committee on Appropriations. The author's office is currently involved in initial discussions with Department of Justice about possible amendments. Commission staff met with Assemblymember Kalra's staff on January 9, 2024 and will provide an update once more concrete information is available.

Respectfully submitted,

Sarah Huchel
Staff Counsel
